Portfolio: <https://deck-jessica.github.io/Portfolio2020JMD/>

SUMMARY

Full Stack Web Developer ready to tackle any problem. Coming from a science and math background, problem solving and working through a task to completion are natural responses. Very good with time management and analytical thinking, and applying solutions gained from experience. Certificate from University of North Carolina – Charlotte Coding Boot Camp.

TECHNICAL SKILLS

Languages: HTML, CSS, Javascript

Applications: GitHub

Tools: Node, jQuery, Bootstrap

PROJECTS

Music Junkies | <https://github.com/deck-jessica/MusicJunkies> | <https://nsc9605.github.io/MusicJunkies/>

- Users can search any day in history using built in date picker, to get top songs, video link and wiki page
- Worked on Javascript and API functionality of the page to retrieve and display relevant information
- HTML, CSS, Javascript, Billboard API, AudioDB API, and WikiMedia API, jQuery, Materialize.css

Weather Dashboard | github.com/deck-jessica/WeatherSearchAppHW6 | deck-jessica.github.io/WeatherSearchAppHW6/

- Users can input any city, it will be converted to latitude and longitude using API, and then return weather and forecast data
- Creating this site from scratch, writing Javascript to utilize local storage, as well as styling and HTML
- HTML, Bootstrap, Javascript/jQuery, OpenWeather OneCall API, Open Cage API

Password Generator | <https://github.com/deck-jessica/PasswordGenHW3> | <https://deck-jessica.github.io/PasswordGenHW3/>

- Using Javascript alerts and prompts, users can input criteria and return randomly generated password
- Given basic CSS and HTML, added Javascript functionality and code to make the password generator work as described. Used arrays to have the characters available for the generator to pull from.
- HTML, CSS, Javascript

EXPERIENCE

Assistant Branch Manager

2017 – 2020

North State Acceptance

Monroe, NC

Constant communication and critical thinking required for daily work. Multitasking is required, as many roles are involved in duties: office manager, loan application review, loan servicing, collection, investigator for delinquent accounts

Key Accomplishments:

- Was promoted to assistant branch manager in four months, kept DQ numbers low

EDUCATION

Certificate, Full Stack Web Development: UNC-Charlotte

Charlotte, NC

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Node JS & ReactJS.

Bachelor's Degree, Science Education: Ohio University

Athens, OH
